Quarterly Activities/Project Description*		
<p>Assist States in the implementation of a statewide, comprehensive, coordinated, multidisciplinary, interagency sytem of early intervention services for infants and toddlers with disabilities and their families. The project activities for the last quarter have provided high quality developmental assessments and early intervention services, thereby preventing delays in services to infants and toddlers with disabilities. Activities to support family leadership, training and a family outcome survey have been developed. A service coordinator position has been funded to coordinate care for eligible infants and toddlers thereby reducing overall caseloads and improving more rapid attention to family needs. Maximize state and federal funds for direct services by increasing monitoring through the billing coordinator.</p> <p>Number of characters entered: 822</p>
